Once the student finishes the financial packaging process, Professional Development will coordinate a return date for the student based on the progress he/she made before withdrawing. DISCRIMINATION GRIEVANCE PROCEDURE

The Institute has adopted the following Grievance Procedure for addressing complaints of discrimination under Section 504 of the Rehabilitation Act of 1973. A person is not required to use this procedure and may instead file a complaint directly with the U.S. Department of Education's Office for Civil Rights, 1350 Euclid Avenue, Suite 325, Cleveland, OH 44115:

Step 1: A person who believes that he/she has been discriminated against by the Institute is encouraged, but is not required, to discuss the matter informally with the Director of Education, Mr. Will Molden, 889 Bethel Road, Columbus, Ohio 43214, phone 614-291-2421 ext. 1015, email wmolden@avedacolumbus.com. If the Director is the subject of the complaint, the grievant may, instead, contact the Institute's President, who will appoint another administrator to discuss the matter. The person receiving the complaint shall verbally convey his/her findings to both the person who alleged the violation and the person who is the subject of the complaint within 10 business days.

Step 2: If the informal Step 1 process does not resolve the matter, or if the grievant does not wish to use the informal procedures set forth in Step 1, a written complaint may be submitted to the Institute's Section 504 Coordinator who will investigate the complaint. [NOTE: if the Section 504 Coordinator is the subject of the complaint, the complaint should be submitted to the Institute's President who will appoint another administrator to conduct the investigation]. The complaint shall be signed by the grievant and include 1) the grievant's name and contact information; 2) the facts of the incident or action complained about; 3) the date of the incident or action giving rise to the complaint; 4) the type of discrimination alleged to have occurred; and 5) the specific relief sought. Names of witnesses and other evidence as deemed appropriate by the grievant may also be submitted. An investigation of the complaint will be conducted within 10 business days following the submission of the written complaint. The investigation shall include an interview of the parties and witnesses, a review of the relevant evidence, and any other steps necessary to ensure a prompt and thorough investigation of the complaint. A written disposition of the complaint shall be issued within 10 business days of completion of the investigation, unless a specific written extension of time is provided to the parties. Copies of the disposition will be given to both the grievant and the person who is the subject of the complaint. If discrimination or harassment was found to have occurred, the disposition will include the steps that the Institute will take to prevent recurrence of any discrimination or harassment and to correct its discriminatory effects on the grievant and others, if appropriate.

Step 3: If the grievant wishes to appeal the decision in Step 2 above, he/she may submit a signed, written appeal to the Institute's President within 10 business days after receipt of the written disposition. The Institute President or his designee shall respond to the complaint, in writing, within 10 business days of the date of the appeal. Copies of the response shall be provided to both the grievant and the person who is the subject of the complaint.

The Institute hereby provides assurance that it strictly prohibits any form of retaliation against persons who utilize this Grievance Procedure. If you have questions regarding these procedures or desire to file a complaint, please contact the Institute's Section 504 Coordinator: Will Molden, Director of Education, 889 Bethel Road, Columbus, Ohio 43214, 614-291-2421, ext. 1015, wmolden@avedacolumbus.com

SEXUAL MISCONDUCT POLICY

The Aveda Institute Columbus is committed to providing a working and educational environment for all students, faculty and staff that is free from sex discrimination, including sexual misconduct. Sexual assault, sexual harassment and sexual exploitation, stalking, domestic violence and dating violence are also forms of sexual misconduct.

The Institute's Sexual Misconduct Policy describes the school's programs to prevent sexual misconduct, and the procedures that the school will follow once an incident of sexual misconduct has been reported. This Policy is disseminated widely to the Institute community through publications, the school website, new employee orientations, student orientations, and other appropriate channels of communication. Copies of the Policy can be obtained from the Institute's Title IX Coordinator, Mr. Will Molden, on-site or by calling 614.291.2421, or from the school's website at www.nuravedainstitutes.com/Columbus. The Institute provides training to key staff members to enable the school to handle any allegations of sexual misconduct promptly and effectively. The School will respond quickly to all reports of sexual misconduct, and will take appropriate action to prevent, to correct, and if necessary, to discipline behavior that violates this policy.

The Institute's Sexual Misconduct Policy governs sexual misconduct involving students that occurs on any school property or in connection with any Institute-sponsored program or event. This Policy applies to all students, employees, and third parties conducting business with the Institute, regardless of the person's gender, gender identity, sexual orientation, age, race, nationality, class status, ability, religion or other protected status. The Institute encourages victims of sexual misconduct to talk to somebody about what happened – so victims can get the support they need, and so the school can respond appropriately. As further described in the Policy, the Institute will seek to respect a victim's request for confidentiality to the extent possible, while remaining ever mindful of the victim's well-being.

FINANCIAL ASSISTANCE

FEDERAL FINANCIAL AID

Federal student aid is available to qualified students. Those that qualify may be awarded a Pell grant, Direct Subsidized and/or Unsubsidized Stafford loans, and/or Direct Parent Plus loan. In order to be considered for aid, a student must complete a FAFSA (Free Application for Federal Student Aid), which is available at www.fafsa.ed.gov. The amount of financial aid that a student may be awarded is based on a student's EFC (Expected Family Contribution), which is determined by his or her FAFSA application. More information regarding federal student aid can be found online at www.FederalStudentAid.ed.gov.

TITLE IV ELIGIBLE STUDENTS

Federal student aid is available to qualified students. Those that qualify may be awarded a Pell grant, Direct subsidized and/or Unsubsidized Stafford loans, and/or Direct Parent Plus loans. In order to be considered for aid, a student most complete a FAFSA (Free Application for Federal Student Aid), which is available at www.fafsa.ed.gov. The amount of financial aid that a student may be awarded is based on a student's EFC (Expected Family Contribution), which is determined by his or her FAFSA application.

All students using Title IV loans are required to complete Entrance Counseling, which can be completed at www.studentloans.gov. Generally, students are expected to have completed Entrance Counseling prior to Orientation. No student is eligible to receive Title IV loans funds until Entrance Counseling is complete.

All students using Title IV loans are required to sign a master promissory note (MPN). An MPN can be signed online at www.studentloans.gov. Any student planning to receive funds from a Parent Plus loan must also have a Parent MPN on file. A parent MPN may be signed at the aforementioned link. Paper MPNs are available upon request.

Students are also required to complete Exit Counseling prior to his or her Title IV aid file being released for graduation; students should complete this requirement by visiting www.studentloans.gov. Cosmetology students should complete Exit Counseling after clocking approximately 1400 hours; Esthiology students should complete the requirement after clocking approximately 500 hours. Students that withdraw from the Institute are also required to complete Exit Counseling.

The Office of Financial Aid is available to assist in the collection of Verification documents, the completion of Entrance and Exit Counseling, as well as the signing of a Master Promissory Note.

Some students enrolled at the school may be eligible to receive living expenses through the receipt of Title IV funding. Students eligible to receive living expenses are eligible because he/she has more award money available to him/her than tuition, supplies, fees, taxes, and any other charges that may be due to the school. Title IV disbursements are released as a student progresses satisfactorily through his/her program; living expenses are released as a result of these funds being in excess of

amounts owed to the school. In almost all circumstances, living expense funds come from loan funds and must be paid back.

Students Selected for Verification

Certain students who have completed a FAFSA may be selected for Verification; all students selected for Verification are required to submit relevant (and requested) income and/or tax information to the Office of Financial Aid in order to be Title IV eligible. Students selected for Verification will generally be given notice of this prior to a student's first day of class (also known as "Orientation.") If a student's FAFSA is found to be selected for Verification post-Orientation, the Financial Aid Office will provide the student with written notification within two business days of being aware of the selection; such notification will outline directions and required documentation needed to complete the Verification process. Upon the student receiving this notification from the Financial Aid Office the student will have 3-4 business days to submit the required documentation needed to satisfy Verification. If the required documentation is not received within this time frame, possible delay or forfeit of federal aid may occur.

If there are differences between the information listed on your FAFSA and your Verification documents, the Financial Aid Office will make corrections to your FAFSA for you. If your EFC (Expected Family Contribution; used to determine your Federal aid package) changes as a result of these corrections, the Financial Aid Office will notify you via written notification, in the form of an updated Award Letter; This notification will occur within one to two months of you starting class.

In the event of a student's award package changing due to Verification and an overpayment occurs, the Institute's Student Accounts Office will return any funds that are due back to the Department of Education on the student's behalf.

Students may email the Financial Aid Office at financialaid@avedacolumbus.com in regards to questions about Verification, Entrance and Exit Counseling, Master Promissory Notes, and other general inquiries regarding student financial aid. Students may make appointments to meet with a Financial Aid Counselor for longer inquiries.

If you have questions about the status of your account, you may contact the Institute's Support Center at 513.576.9333.

ACADEMIC INFORMATION

SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory progress in attendance and academic work is a requirement for all students enrolled in the Aveda Institute Columbus (the "Institute"). This policy is provided to all applicants prior to enrollment and is consistently applied to all students enrolled in the Institute. NOTE: Students receiving funds under any federal Title IV financial aid program must maintain satisfactory progress in order to continue eligibility for such funds. This Policy is intended to comply with all applicable rules and regulations applicable to students eligible to receive Title IV federal student financial aid. In the event that any provision of this Policy conflicts with any rules or regulations in effect with respect to Title IV federal student financial aid, the rules and regulations of Title IV shall apply.

Attendance Progress

Full-time: MAXIMUM TIME: The maximum time a student has to complete is 150% of the program length (67% attendance average). The regular and maximum time for completion of each program are set forth below.

	Regular Time	Maximum Time
Cosmetology	54 weeks	77 weeks
Esthiology	21 weeks	31 weeks
Nail Esthetics	10.25 weeks	15.50 weeks
Advanced Cosmetology	10.25 weeks	15.50 weeks
Cosmetology Instructor	30 weeks	25 weeks
Advanced Esthiology	5.25 weeks	19.50 weeks
Esthiology Instructor	13 weeks	18.75 weeks

Attendance: In order to be considered making satisfactory progress, all students must be in compliance with the Institute's attendance policy.

A leave of absence extends the student's contract period and maximum time frame by the same number of days of the leave of absence. The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 75% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe may continue as a student at the Institute on a cash pay basis.

Academic Progress

The following factors will be measured to determine academic progress: Academic work (test grades, homework, etc.), Practical Work and Clinic Work.

Academic and practical work will be graded according to the following scale:

100-99	A	A – Excellent B – Very Good C – Satisfactory D – Needs Improvement F – Failing
98-97	A-	
96-95	B+	
94-93	B	
92-89	B-	
88-86	C+	
85-81	C	
80	D	
79	F	

Students must maintain a cumulative C grade average (minimum cumulative grade point average of 81% in academic and practical/clinical work) in order to be considered making satisfactory progress.

Determination Of Progress

To determine SATISFACTORY PROGRESS, all Cosmetology students are evaluated at 450, 900, and 1200 scheduled hours. Esthiology students are evaluated at 300 scheduled hours. Nail Esthetics students are evaluated at 150 hours. Advanced Cosmetology students are evaluated at 150 hours. Cosmetology Instructor students are evaluated at 500 hours.

Advanced Esthiology students are evaluated at 75 hours. Esthiology Instructor students are evaluated at 250 hours. If a student is making satisfactory progress at evaluation time, the said student is considered making satisfactory progress until the next evaluation period and will be eligible for Title IV funding. If a student is not making satisfactory progress at the evaluation time, the said student will be placed on warning status until the next evaluation period.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she will become ineligible to receive Title IV funds. See "Probation" and "Appeal Procedure" below.

Probation

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Re-Establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Appeal Procedure

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to

the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Transfer Hours

Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours.

Notification And Records

Students shall be provided with copies of all Satisfactory Academic Progress evaluation reports. Copies of such reports shall also be placed in the student's academic file, to which the student shall have access as set forth in the Course Catalog.

Incompletes, repetitions and non-credit courses have no effect upon the satisfactory progress policy.

LEAVE OF ABSENCE POLICY

This Policy applies for all student requests for a leave of absence from the Aveda Institute Columbus (the "Institute").

An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. An LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during an LOA.

An LOA must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring the Institute to perform a refund calculation.

In order for an LOA to qualify as an approved LOA:

1. All requests for leaves of absence must be submitted in advance in writing, include the reason for the student's request, and include the student signature.
 - i. A student must apply in advance for an LOA unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to the Institute, the student would not have been able to request the LOA in advance.
 - ii. The Institute may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the Institute documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the Institute to be the first date the student was unable to attend the Institute because of the accident.
2. Leave of Absence Request Process:
 - i. If a student encounters circumstances that warrant a Leave of Absence, he/she must complete a Request For Leave of Absence form found in the Office of Professional Development.
 - ii. The Request For Leave of Absence form must be submitted to the Office of Professional Development prior to the Leave of Absence start date.
 - a. All Leave requests should be accompanied by documentation supporting the necessity for the LOA. Documentation must be provided within 14 days following the request.
 - b. Due to varying types of LOAs covered under this policy, verification of need for an LOA may be provided through a multitude of sources. Examples: court documentation for criminal proceeding in which the student is court ordered to attend, military orders for induction or long-term deployment; insurance documentation of major sustained loss or damage to a residence or other property; physician documentation for medical care or disability; local social welfare, victims assistance group, or church certification of supportive services provided.
 - iii. Students who do not follow procedure will not be granted an LOA and are expected to attend school as scheduled.
 - iv. Unforeseen and/or extenuating circumstances may provide the student an opportunity to submit an LOA request after the leave start date. Exceptions will only be made when the student has communicated the hindering circumstances within seven days of the request start date.
 - v. The Institute reserves the right to require additional documentation from outside sources in order to substantiate an LOA request.
3. As a condition for approving a student's LOA request, there must be a reasonable expectation that the student will return from the LOA.
4. All LOA requests are subject to approval by the Institute's Director of Education. If a student's LOA is not approved, the student is considered to have withdrawn and the refund requirements are applied.
5. The Institute shall not assess the student any additional institutional charges as a result of the LOA.
6. The Institute will grant only one leave of absence within an enrollment period, unless extenuating circumstances can be proved and documented. The LOA must be a minimum of 10 calendar days and not to exceed 90 calendar days. The LOA together with any additional leaves of absence must not exceed a total of 180 days in any 12-month period.
7. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.
8. The Institute shall extend the student's maximum time frame and the contract enrollment period by the same number of days taken in the LOA. Changes to the contract period shall be documented in an enrollment agreement addendum that must be signed and dated by the student and an authorized representative of the Institute.
9. In the event that a student does not return or call from his/her leave of absence at the expiration of an approved LOA, that student shall be considered terminated. The withdrawal date for the purpose of calculating a refund is the student's last day of attendance, as evidenced by attendance records.

1. Maintaining a professional appearance is vital to success. A professional appearance includes:
 - a. The uniform provided in the student's kit is to be buttoned, clean and neat and worn during all classroom and clinic-floor hours. It should not be torn, stained or altered. If it does not meet these standards, the student has 24 hours to replace it from Aveda Institute Columbus at the student's expense.

Solid black dress pants are required to be worn by each student. Apparel considered unprofessional includes sweatpants, stirrups, revealing clothing, hats and headphones. Black headwraps may be worn.

Standard Violations

Violations include assigned area violations, property misuses, client service violations, unprofessional behavior, and any disruptive behaviors determined by instructors and/or the Director of Education as interrupting or preventing the regular operation of the school or interrupting or preventing the education of other students.

Anytime during the student's program the violation of a standard may result in disciplinary actions, and repeated violations may result in suspension from the school or termination.

Suspension

Once the Director of Education has agreed that the student is prepared to comply with the professional standards of the school, the student may return to school; however, a record of suspension will be recorded in the student's permanent file. While a student is suspended, no clock hours may be earned, and tuition charges are suspended. If a student on suspension fails to respond in three school days, the student is automatically terminated.

Major Standard Violations

Major standards include using controlled substances/alcohol, defacing or destroying property, possession of concealed weapons, stealing, falsifying documents, committing fraud, abusing and/or causing physical harm to others and violating local, state and/or federal laws. At anytime during a student's program, the violation of a major standard will result in termination, subject to appeal.

Social Media Policy

This policy provides guidance concerning the use of social media through the Institute's network, systems or equipment and/or the use of social media to represent or discuss matters related to Institute and/or members of the Institute community. This policy is intended to supplement, not replace, other policies of the Institute, which remain in full force and effect and apply to the use of or participation in social media. This policy applies to all use of social media by Institute students, faculty and staff to represent or discuss matters concerning the Institute and/or members of the Institute community, whether or not such use involves the Institute's network or other computer resources.

Definition of Social Media

"Social media" is a term used to describe tools and platforms that enable individuals to share ideas and content quickly and easily. Examples of popular social media include, without limitation, texting, blogs and propriety platforms such as Twitter, Facebook, Instagram, Snapchat, Tumblr, LinkedIn, YouTube, Vine and Flickr. This Policy applies to social media that is currently available or emerging as well as all other online tools and/or platforms that may become available after the adoption of this Policy by the Institute.

Introduction

Within the last few years, the growing popularity of social media has fundamentally changed the way we communicate as individuals and as an institution. The Institute recognizes and embraces the power of social media, and the opportunity those tools provide to communicate with the Institute community, including students, faculty, staff, parents, alumni, and other interested parties.

It is important to recognize, however, that laws and Institute policies governing inappropriate conduct such as sexual (or other) harassment, bullying, discrimination, defamation, infringement of copyright and trademark rights, and unauthorized disclosure of student records and other confidential and private information apply to communications by Institute students, faculty and staff through social media. Even activities of a private nature conducted away from the Institute can subject you to disciplinary action if they reflect poorly on the Institute or interfere with the conduct of Institute business.

Usage Guidelines for Posting to Social Media Sites

- Be careful what you post. Consider the clarity, length and tone of your comments before posting them. You are responsible for what you post. Remember, your post may last forever, even if you later try to modify or remove it.
- Get the facts straight before posting them on social media. Review content for grammatical and spelling errors. This is especially important if posting on behalf of the Institute in any capacity.
- On personal sites, identify your views as your own. If you identify yourself as an Institute student, faculty or staff member online, it should be clear that the views expressed are not necessarily those of the Institute.
- Sign your post with your real name and indicate your relationship to the Institute. Do not use pseudonyms or post anonymously.
- Respect the views of others, even if you disagree. Do not use profane, obscene, or threatening language.

- Review the privacy settings of each social media site accessed or used to understand how the site uses the information that its users provide. Be careful about revealing excessive personal information.

- Whenever appropriate, link back to information posted on the Institute website instead of duplicating content. For assistance please contact the Director.
- Whenever, as a member of the Institute faculty, you utilize social media as a means of student participation in course work be sure to also provide a practical and appropriate alternative for students who may be unable or reluctant to utilize that social medium. For example, some students may not be comfortable with opening a Facebook account.

Prohibited Social Media Activity

To the full extent permitted by law, the following conduct is specifically prohibited while participating in social media, and constitutes a violation of this Policy. This applies with respect to posting to any Institute social media site, communicating with members of the Institute community, or discussing the Institute on any site, even through your own personal account or using your own device without using the Institute's network or equipment.

Policy Violations

The Institute reserves the right, under circumstances it deems appropriate and subject to applicable laws and regulations, to impose disciplinary measures, up to and including dismissal from the Institute or termination of employment, upon students, faculty, or staff who use private social media sites or communications resources in violation of this Policy.

In appropriate cases, such conduct may also be reported to law enforcement authorities.

Note: In accordance with applicable laws and regulations, subject to other applicable Institute policies, this Policy does not prohibit employees from using social media to discuss among themselves, even in terms that may be critical of the Institute, matters relating to the terms and conditions of their employment.

ATTENDANCE

Daily attendance is critical, as proper time management is crucial to the success of a salon/spa professional. The Institute is a clock hour institution, therefore clocking in and out is extremely important. Students are expected to clock in upon arrival, out for lunch, and out at the end of the day. Students must clock out each time they leave the building, and clock back in when they return.

Aveda Institute Columbus can only issue credit for hours that are properly documented. Aveda Institute Columbus will honor documented daily time earned. **IT IS THE STUDENT'S RESPONSIBILITY TO CLOCK IN AND OUT.**

Students are required to clock in no later than the exact minute school begins for the day. Students are not permitted to clock in unless they are in adherence with Institute dress code and prepared to begin training for the day.

Student Responsibilities

The Aveda Institute Columbus is dedicated to providing hands-on professional training in the fields of cosmetology and esthetics. Part of the Institute's responsibility to the student and to our professional colleagues is to provide prospective employers with a true evaluation of the student's ability, behavior, and attitude.

To do this, the Aveda Institute Columbus must witness student responsibility during training. A responsible student, like a valued employee, is at work, ready to begin at the assigned time. They have planned ahead for child-care, back-up child-care, weather conditions, etc. Patrons and fellow students are inconvenienced when a student does not meet his/her responsibility of being on time.

In order to ensure students obtain the skills necessary for professional success, the Institute expects students to maintain a cumulative attendance percentage of not less than 90%. This means that a student is physically present and actively engaged in training for not less than 90% of their scheduled attendance. Failure to maintain a 90% cumulative attendance percentage may result in the student being subject to professionalism counseling with representatives of the Institute's professional development team. If an extended leave is necessary, please see the Leave of Absence section of this catalog.

Any Title IV aid recipient who has zero attendance and no approved Leave of Absence for 14 consecutive days or greater will immediately be terminated from Title IV funding.

In order to ensure that the provided education and training is properly maintained, **IT IS THE STUDENT'S RESPONSIBILITY TO MAKE UP ANY MISSED WORK & ASSIGNMENTS DURING AN ABSENCE.** Failure to maintain adequate attendance and/or failure to make up missed work and/ or assignments may prevent a student from advancing to a subsequent phase in their program.

Call In Policy

Students are required to call in an absence or late arrival 30 minutes prior to their scheduled start time:

THE STUDENT CALL-IN NUMBER:

(614) 291.2421 EXT. 6814

PLEASE BE CONSIDERATE OF YOUR GUESTS, INSTRUCTORS AND FELLOW STUDENTS BY CALLING THE STUDENT CALL-IN NUMBER IF YOU ARE GOING TO BE LATE.

No Call/No Show Policy

If a student fails to call in a late arrival to the attendance line by the required time, they will be considered a no call/no show for the day.

If a student fails to call in an absence or late arrival to the attendance line by the required time, they will be cited for a Standard Violation.

Each day, full time students are provided with a one-hour lunch break during theory classroom days and a 45-minute lunch break during their hands-on training days. Lunch times will vary by day and will depend on classroom and clinic schedules. Full time students must be clocked back in from lunch within the time of their scheduled lunch break. Eating lunch in the classroom after a student's allotted meal period has passed is not permitted.

Barring extenuating circumstances, students are permitted to clock out for one (1) 15-minute personal break each day. Students are eligible to take a 15-minute break after clocking at least 1 full-hour of time on campus. In addition, 15-minute breaks are not permitted within 1 hour before or after of a scheduled lunch break. All breaks must be approved by an instructor, and the Guest Concierge at the podium must be alerted. Students are required to sign-out & clock-out for all breaks.

Late Arrival

Failure to clock in by school start times and/or lunch end times is a Standard Violation.

In order to receive clock hours for the day, a student may not clock in more than **15 minutes** after their scheduled start time.

All students arriving late must follow the procedure listed below immediately upon arrival:

- Clock in
- Report directly to classroom/clinic floor instructor
- Complete the daily sign-in sheet and identify the late arrival time

Students are not permitted to arrive late and leave early on the same day.

Time Record Policies

It is a state requirement that the school provide an accurate system for recording all students' times, services and class hours. Students are ultimately responsible for clocking hours on a daily basis. Aveda Institute Columbus will honor documented daily time worked.

1. Always clock in/out on the time clock at the beginning and end of each day, and at the beginning and end of each lunch break.
2. Complete sign-in sheets on a daily basis (ask for assistance as needed).

Early Releases

Students requesting an early release must:

- Report directly to the Student's assigned instructor for the day
- Sign-out on the daily sign-in sheet and identify the early leave time
- Clock-out for the day
- In the event that a Request for Early Release Form is not completed and/or approved by Professional Development, prior to the student leaving, the student will be subject to disciplinary action.

Notice of Expected Absence

Students who are planning to be absent need to:

- Obtain and complete a Notice of Expected Absence Form, which must be signed by the student's instructor and Professional Development Coordinator.
- Deliver the Notice of Expected Absence Form to the Office of Professional Development.

Once your Notice of Expected Absence form has been approved and submitted to Professional Development you will not be required to call the attendance line on the dates that have been approved. However, if you have **not** completed a Notice of Expected Absence form, or you are tardy or unable to come into school you will be required to call the student attendance line. If you do not call in your absence or tardiness you will be subject to the Call-in Policy..

CANCELLATION AND REFUND POLICIES

NOTICE OF CANCELLATION AND REFUND FOR COSMETOLOGY AND ESTHIOLOGY

Enrollment can be terminated by written notice from one party to the other. Said notice must be in writing and shall be mailed, postage prepaid, either registered or certified mail, return receipt requested, to the other party at the address set forth in the student's enrollment agreement or delivered to the student or the School Director in person. The refund policy is as follows:

1. If a student's application is rejected by the school, or if he/she cancels enrollment within three (3) business days from the execution of the enrollment agreement, all monies collected by the school will be refunded, whether or not the student has begun the course of instruction.
2. If a student cancels his/her enrollment after three (3) business days from the execution date of the enrollment contract, but before the student begins the course of instruction, he/she is entitled to a refund of all monies paid to the school less the registration fee of \$100.
3. If a course is cancelled by the school subsequent to the student's enrollment, and before instruction in the course has begun, the school will provide a full refund of all monies paid.
4. If the school cancels the course and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall at its option (a) provide a pro-rata refund to the student if the student transfers to another school based on the hours accepted by the receiving school; or (b) provide completion of the course; or (c) participate in a Teach-Out Agreement; or (d) provide a full refund of all monies paid.
5. If, for any reason, the school is permanently closed and no longer offers instruction after a student has enrolled and instruction has begun, the student shall be entitled to a pro rata refund of tuition.
6. If either party cancels the enrollment contract after the student begins class and after three (3) business days of signing the enrollment agreement, the school will keep the registration fee, the student kit fee (as the kit becomes the property of the student) and the applicable tuition amount as determined pursuant to the following schedule:

Percentage length completed to total length of program	Amount of total tuition owed to the school
.01% - 4.9%	20%
5.0% - 9.9%	30%
10% - 14.9%	40%
15% - 24.9%	45%
25% - 49.9%	70%
50% and over	100%

The refund calculation is based upon the student's scheduled hours as of the determination date. Any refund due the student is calculated based upon the student's last date of attendance. The refund calculation does not apply to a student whose date of withdrawal occurs after such student has completed 50% of the scheduled length of the program for which the student has been charged. At this point, the student will be charged 100% of all tuition and fees.

Any money due to the applicant or student shall be refunded within 45 days of the official withdrawal date or the date the school determines that the student has withdrawn. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school in person.

The school will consider the student withdrawn if the student does not attend class for 14 consecutive days or notify the school of his/her intention to withdraw. The official withdrawal date is determined by the last day attended, as evidenced by attendance records. All miscellaneous cost which have not yet become due will be void.

If the student does not return or call from his/her leave of absence by the date of his/her expected return, that student shall be considered terminated. For students on an approved leave of absence, the date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning. The date of withdrawal shall be the student's last day of attendance, as evidenced by attendance records.

Unless the student's application is rejected, or the student cancels his/her enrollment within three business days of signing the enrollment agreement, the school shall impose an administrative fee of \$150 in connection with the student's termination of his/her enrollment prior to completing his/her course of instruction. Note that the school's institutional refund policy applies after any applicable return of federal Title IV funds.

COLLECTION POLICY

If the student is terminated or withdrawn from the school, the school shall inform the student of any balance owed to the school. Unless otherwise documented as part of an approved payment plan between the student and the school, beginning 30 days after the date the student is informed of a balance due the student shall be assessed a monthly late payment penalty equal to 1.5% computed upon the amount due to the school.

The school is committed to using ethical business practices in connection with any collection efforts. Collection correspondence shall reference the school's cancellation and refund policies set forth in this catalog. In the event that the student's enrollment agreement is sold or discounted to a third party, such third party shall be required to comply with the cancellation and refund policy set forth herein. In certain situations where mitigating circumstances are in evidence, the school may, in its sole discretion, provide a refund that exceeds this refund policy.

RETURN OF TITLE IV POLICY

The Federal Return of Title IV funds formula ("R2T4") dictates the amount of Federal Title IV aid that must be returned to the federal government or the lending institution by the Institute and/or the student. The R2T4 formula is applicable to an eligible student receiving federal aid when that student withdraws or is terminated from the Institute.

A student's withdrawal date is used to calculate the percentage of the payment period completed and is always the student's last date of attendance/clocked hours. The date of determination is the earlier of:

- The date the student notifies the Institute of the student's withdrawal or the date of the student's withdrawal, whichever is later.
- The Institute terminates the student's enrollment as provided in the Enrollment Agreement.
- If a student does not return or call from the student's leave of absence by the date of the student's expected return, the student shall be considered terminated.
- If the student unofficially withdrew, the 14th calendar day of consecutive absence from the Institute.

The amount of Title IV funds earned by the student is based upon the length of time the student is scheduled to complete in the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before 60% of the payment period has been completed. After 60% of the payment period has been scheduled to be complete, 100% of the Title IV funds are earned. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the number of clock hours the student was scheduled to complete in the payment period as of the withdrawal date divided by the total number of clock hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a student has earned more Title IV funds than have been disbursed, the Institute must offer the amount of earned funds as a post-withdrawal disbursement.

Post-withdrawal disbursements may be offered from Pell Grant funds first if eligible. If there are current educational costs due the Institute at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be credited to the student's account. Any Pell Grant funds in excess of current educational costs may be offered to the student if eligible. Any federal loan program funds due in a post-withdrawal disbursement must be offered to the student and the Institute must receive the student's permission before crediting their account.

The following Title IV refund distribution is used for all Financial Aid students due a refund:

- Unsubsidized Direct Stafford Loan
- Subsidized Direct Stafford Loan
- Federal Direct Parent PLUS Loan
- Federal Pell Grant
- Federal Supplemental Opportunity Grant
- Other Title IV assistance

Any unearned Title IV funds must be returned to the appropriate program within 45 days of the date of determination. Any unearned funds that have not yet been disbursed to the student must be offered to the student within 30 days of the date of determination if not applied directly to the student's account.

The statute requires that a student is responsible for all unearned Title IV program assistance that the Institute is not required to return. This is determined by subtracting the amount returned by the Institute from the total amount of unearned Title IV funds to be returned.

Written complaints may be submitted by completing a challenge/solution form. The form is available from the Professional Development Office. A completed challenge/solution form will be routed to the Director of Education for investigation.
